RMKS/1. This cancels and replaces references (a) and (b).
Effective immediately, use of the Government Travel Charge Card
(GTCC) for Permanent Change of Station (PCS) is mandatory for all Navy
travelers who are eligible for or already possess a GTCC.

2. The Department of Defense (DoD) policy is the GTCC will be used by all
eligible DoD travelers to pay for costs related to official government
travel. See section 0406 in reference (c) for exemptions to mandatory use.
Official government travel is defined as travel under official orders while
performing duties pertaining to official government assignments such as
Temporary Duty (TDY) and PCS. New accession appointees and recruits are
exempt from mandatory use of the GTCC.

- a. Use of the GTCC for PCS travel applies to personnel who are:
 - (1) Active Duty
 - (2) Training and Administration of the Reserves (TAR)
 - (3) Selected Reservist (SELRES) executing Active Duty for Operational Support (ADOS) and Officer Recall PCS orders
- b. Use of the GTCC for PCS travel does not apply to:
 - (1) Personnel on accession, separation, or retirement orders
 - (2) DoD Contractors
 - (3) Individual mobilization augmentees

- (4) Individual Ready Reserve Navy personnel
- (5) Individuals not eligible to obtain a GTCC or are otherwise explicitly exempted by references (c) or (d).

3. To improve oversight and training of the GTCC program, and to reduce GTCC delinquencies associated with misuse and abuse, training at the command level is imperative. Commanders must ensure GTCC training is conducted at the following website utilizing Microsoft Edge browser:

<https://secure.defensetravel.dod.mil/neowbtraining/Travel Card/lessons/index.php>. Additionally, in coordination with the Supply officer and Command Pay and Personnel Administrator (CPPA), Sailors must be counseled by the Command Financial Specialist or Agency Program Coordinator (APC) on proper GTCC use prior to detaching for a PCS.

The command must document the training with a signed Page 13 during the command check-in/checkout process. This counseling must also include a signed DD Form 3120 Statement of Understanding and be retained on file.

4. Except for non-concurrent travel and Personally Procured Move (PPM) advances, travel advances are not authorized for Sailors who have a GTCC. Sailors ineligible for a GTCC may be paid travel advances to cover anticipated PCS related costs. Dislocation Allowance is an unauthorized use for the GTCC and will be provided as an advance.

5. Sailors must check-out with their detaching APC to confirm a zero dollar balance on the GTCC, provide updated contact information, and verify their GTCC is ready for use. Detaching APCs must review CitiManager to ensure the traveler's GTCC account is in PCS mission critical status 5 days prior to the approved detachment date and ensure it remains in PCS mission critical status for the duration of the travel period. Sailors must work with their detaching APC during the travel period for credit limit increases. In cases of emergency, Sailors may also contact MyNavy Career Center (MNCC) Human Resources Services Center (HRSC).

6. Sailors will check-in with the gaining CPPA to submit their travel voucher to Transaction Service Center (TSC) Memphis via Enterprise Customer Relationship Management (eCRM) within 5 working days and before executing any permissive TDY. Split Disbursement is mandatory when using GTCC for PCS travel. Commands not supported by TSC Memphis, such as carriers and sub-tenders and who have their own Accounting and Disbursing Station Number (ADSN), will submit PCS travel claims to their respective PCS travel office for processing.

7. Cardholders must ensure all required receipts are submitted with their travel claim and review their GTCC account for accuracy. Sailors are liable for full repayment of the GTCC, regardless of travel voucher reimbursement. Reimbursement is based on PCS allowance rules in accordance with reference (e). GTCC must be paid in full upon travel claim liquidation. Sailors will be reimbursed for PCS expenses up to their maximum entitlement and all available funds due will be used to pay off GTCC balance. Overspending beyond entitlements may result in personal indebtedness.

8. Authorized uses of the GTCC for PCS travel:

- a. Dual-military PCS. Service Members must each use their own GTCC for respective PCS expenses (meals, fuel, etc.) and file separate travel vouchers for individual travel.

- b. Temporary Lodging Allowance (TLA) for Outside Continental United States (OCONUS) Permanent Duty Station (PDS). Sailors should work with their

CPPA to submit TLA vouchers. TLA cannot be split disbursed. Sailors must pay CitiBank directly for TLA expenses.
